### CR SHUTTLE MAP

### IMPORTANT FOR GUESTS DEPARTING COUNTRY RESORT:

We require a guest from your chalet to call our reception on **0136-55-5136** to let us know:

- 1) Which departure time you would like to book,
- 2) Your chalet number/name and number of people from your chalet boarding the bus.

This ensures that the driver stops out the front of your chalet and has the space to fit your group. Typical travel times to Hirafu from Country Resort is 5-7minutes. Please be ready at collection points at the designated times.

**For those staying out past 10:30PM, taxis are available in Hirafu until 02:00AM.**

## SKI SHUTTLE BUS SERVICE

Each winter starting from early December, MnK operate a fleet of Hi Ace vans ( 9 seaters) and a coaster bus (21 seater) to take guests to and from Hirafu town and the Hirafu ski lifts.

These ski shuttles are only offered for Country Resort (CR) and The Orchards (OR) (because Akazora is located in Hirafu town).

**Different** bus timetables and services are offered for CR and OR and we also have special services for guests whose children have lessons with NISS. The timetable and services are explained below for COUNTRY RESORT.

### THE CHALETS AT COUNTRY RESORT

Please refer to map below for the stops and overleaf for the CR timetable.

### NISS SKI SCHOOL

**For families with children taking NISS lessons they will ride in a Hi-Ace and be taken directly to the NISS office in front of The Vale.**

(For days when we can fill the Coaster with NISS kids from both CR and ORCH (peak Christmas and CNY), the Coaster will collect NISS kids and 1 parent/helper (per family) from CR and ORCH and drop off in Hanazono. This bus will leave CR at 8:50 (After completing the 8:30 shuttle). On these days multiple Hi-Ace vans will be running the regular 9:00 & 9:30 CR Shuttle Loop.)
